

4KIDS System Maintenance – Friday, August 16, 2013 at 6:30pm

The Virginia \$4KIDS website and the automated phone payment system (IVR) will be down for maintenance the weekend of August 16-18. Once the site is back up, customers will need to bookmark a new address. The IVR telephone number will remain the same. Please check back for the new Virginia \$4KIDS web address coming soon. We anticipate the system being available by early morning on Sunday, August 18, 2013.
